COLLEGE LIBRARIES

(An English Quarterly)

College Libraries : an english quarterly published since 1983. Previously it was known as College Librarians. Continuously more than 30 years this journal is being published as an organ of West Bengal College Librarians' Association (WBCLA). The articles which have been published in this Journal focus on academic problems and issues germane to college and university libraries as well as all buying issues related to Library and Information Science. "College Libraries" also provides a forum for authors to present research findings and where applicable, their practical applications and significance; analyze policies, practices, issues and trends; speculate about the future of Academic Librarianship. We also provide authors benefits, such as, free PDFs, liberal copyright policy, special discount on WBCLA publications and much more.
