Preface

The present comprehensive Handbook of Government Acts and Orders (Volume-3) is an answer to a long-felt need of College Librarians of West Bengal for a ready-reference manual of the sort to have at hand. Since College Libraries and Librarians are subject to Government Rules and Regulations regarding all professional aspects of Library management and administration as well as service conditions of Librarians, the WBCBA had decided early to bring out a compilation of all relevant Government Acts, Orders and Amendments as well as Rules and Regulations and other professional information for the benefit of its members. This volume is the outcome of such a plan-the realisation of our aspirations in print.

The Handbook contains USC Letters/Circulars, Government Orders/Circulars, Acts and Amendments etc. issued from time to time upto November 2009 which relate to Library functioning and have a bearing on the service conditions including salary and other benefits of College Librarians. Please note that in order to avoid misual of space important portion of the MHRD No & USC Notification have been includes in this handbook.
